Celebrate an Occasion with a Flock of Flamingos

The Methodist Youth Fellowship will "pink" your best friend or worst enemy! Under cover of night, two dozen pink flamingos decked with tacky necklaces and a sign with your personalized message will appear on the designated lawn for an unforgettable wake-up surprise. What a great birthday, anniversary, welcome home, congratulations or "just because" present for that person that has everything! The cost is a \$25 donation to the MYF, which includes delivery and pickup the following day. If the recipient would like to arrange for a revenge flocking or to move the flamingos to another home, it's only a \$20 charge to the recipient.

The proceeds of this fundraiser support the MYF mission trip to San Francisco this summer. Let the Stuart/Wongs know when your special event is and the flock will be there! E-mail Alycia at wongstuart@aol.com or call (828-5143).

Let's Do Lunch ! Local congregations are invited to attend and bring a "picnic" style dish to share. **Students are invited to attend and bring their appetites.** In addition to enjoying fellowship at the end of the academic year, we will be learning about our upcoming community service project with Good Shepherd's Clothes Closet. There is free parking in the back. If you have questions or want to help us feed the students, please call Jason and Jennifer Daniels. 775-747-5857.
